

Five Little Pumpkins Book

Items used to make this Project:

- CD-120022 Pumpkins Mini Cut-Outs (Single Design)
- DJ-608001 Wooden Frame Straight Border
- Glue or tape

Directions: Cut four pieces of Wooden Frame Straight Border in half. Make enough wooden frame pieces for five pages. Print the "Five Little Pumpkins" poem and cut apart each verse to put on a border page. Glue or tape only one pumpkin on each page and tape them so all five show on the first page, four show on the second page, and so on.

Poem:

Five little pumpkins sitting on the gate. The first one said, "Oh my it's getting late."

The second one said, "There are witches in the air."

The third one said, "But we don't care."

The fourth one said, "Let's run and run and run."

The fifth one said, "It's time to have some fun."

OOOH OOOH went the wind and out went the lights and the five little pumpkins rolled out of sight.
