

# Four Little Stars Book

## Four Little Stars

There were four little stars  
winking at me,  
One shot off, and then there  
were three.

## Items used to make this Project:

- CD-120013 Stars Mini Cut-Outs (Single Design)
- Construction paper
- Glue or tape
- Hook-and-loop tape

**Directions:** Type the "Four Little Stars" poem. Print one verse per page of the book. Glue or tape the title page to the construction paper and add four stars. On the first page ("Four Little Stars" verse) glue or tape THREE stars onto the page. Allow for one to be attached with hook-and-loop tape after laminating. Glue or tape the next three verses onto the construction paper, gluing down one less than the verse sings about. After laminating you can add hook-and-loop tape and the last star.

### Poem:

There were four little stars winking at me,  
One shot off, and then there were three.  
There were three little stars with nothing to do,  
One shot off, and then there were two.  
There were two little stars afraid of the sun,  
One shot off, and then there was one.  
There was one little star winking at me,  
It shot off, and then there were none.
