The tenth car in line is gray.

## Items used to make this Project:

- DJ-620018 Critters 'n Cars Colorful Cut-Outs package header
- CD-4450 1" Sentence Strips
- CD-5619 Desktop Vertical Pocket Chart
- Glue or tape
- Marker

**Directions:** Cut out the cars on the Critters 'n Cars Colorful Cut-Outs package header. Glue or tape them to the sentence strip. Write sentences that describe where they are in the car line using ordinal numbers (The first car in line is *place car here* purple). Place the sentence strips in the pocket chart.
