

Stars & Stripes Book

Items used to make this Project:

- CD-110052 Patriotic Stars & Flags Bulletin Board Set
- 5 pieces of construction paper
- Glue or tape

Directions: Create the title page with the words "Stars & Stripes" and glue or tape down one flag and a few stars. Arrange three different-sized stars on the first page and glue or tape them down. Add the question "Which star is the largest?" On the second page, glue or tape three more stars and add the question "Which star is the smallest?" On the third page, glue or tape three more stars and the question "Which star is the middle size?" On the final page, place two flags. Glue or tape them to the construction paper and add the question "Which flag is larger?"
